John C. Jacobs, President and CEO of Harmony Biosciences, Joins Life Sciences Pennsylvania Board of Directors

May 18, 2021

Appointment underscores John Jacobs' and Harmony Biosciences' commitment to the Pennsylvania life sciences community

PLYMOUTH MEETING, Pa., May 18, 2021 /PRNewswire/ -- Harmony Biosciences Holdings, Inc. ("Harmony") (Nasdaq: HRMY), a pharmaceutical company dedicated to developing and commercializing innovative therapies for patients living with rare neurological disorders who have unmet medical needs, today announced the appointment of John C. Jacobs, President and CEO of Harmony, to the Life Sciences Pennsylvania's (LSPA) Board of Directors, effective May 6, 2021.

John Jacobs' election to the board is accompanied by other leaders representing the breadth, diversity and geographic reach of LSPA across the medical device, diagnostic, biopharmaceutical, and research communities, bringing important expertise, insights, and partnerships that will help enhance the association's effectiveness. He will provide insight and guidance to the association given his deep experience of almost three decades in the pharmaceutical and life sciences industry.

"The appointment of John to the Board of Directors is a testament to the work done by Harmony under his leadership to help the local patient community and raise the profile of life science companies in the region. We are grateful that John has agreed to serve on LSPA's Board of Directors and we look forward to working with him to advance the Association's initiatives," said Christopher P. Molineaux, President and CEO of Life Sciences Pennsylvania.

"Life Sciences Pennsylvania plays a critical and inspiring role in supporting and elevating the life sciences industry in Pennsylvania," Jacobs said. "I am honored to be joining the Board and helping to continue to make Pennsylvania a global life sciences leader."

About Harmony Biosciences
